OLYMPIC WEEK TO BE HELD

CAMP ACTORS PRESENT PRIZES TO BE GIVEN WILD WESTERN DRAMA TO HIGH SCORERS

The Wild and Wooly West was brought to camp under the direction of Frank Shakespeare, dramatics director, on Wednesday, July 15.

The mood was set by our own Irving Heller by playing Chopin's "Minute Waltz" and by adding a bit of speed to get in a few measures of "boogey-woogey".

The cast of rugged, two-fisted fighters included Harold Johnson, Don Davis, Bob Brett, Bill Carl, and Ed Sealy. The time was about midnight of a blizzard night in 1870. The scene was the office of the Yellowstone and Western Stage Company.

The plot concerned a man who had a dream. His dream was that a friend of his, carrying a large sum of gold, was murdered by a bearded man carrying an ax. When he awoke he saw the murderer's face at the window. The play went on to show how the dream came true.

SCOUTS RECEIVE WANKA WASTES

Scouts Robert Vandell of Troop 1, James Briggs of Troop 2, Burton Marshall of Troop 3, Dick Perley of Troop 4, Thomas Craner of Troop 5 and Bill McGeehan of Troop 6 received Wanka Wastes at Retreat last evening.

Attention, all you athletes! Camp Wauwepex presents its own Olympic Week. Starting Saturday and continuing till Wednesday evening a full schedule of events have been planned. There will be swim meets, baseball games, track events and boat regattas. This has been planned by the camp directors and all the troops will participate.

Olympic Week was started years ago as a part of the camp schedule and has been increased each year to include most of the athletic sports. The events are divided into two groups, senior and junior. A prize will be given to the winner in each division. The winner will be decided by his total number of points. Five points will be given for first in any event, three for second and one for third. Other prizes will be given to the runners-up in each division.

On Wednesday evening all the scouts and officers will sojourn to the upper mess hall where an Olympic Banquet will be served. There will be songs and music by the Music Director. A short talk by the little Buckskin Chief, Bob Best, and the presentation of awards will conclude the evening.

Aim High

After this summer many of our Scouts are returning to high school and even to college. Others will find employment in nearby shops. Some will be headed for success, others will not be so fortunate. One thing is sure--unless you know where you are going, you will not reach your goal.

"Hitch Your Wagon to a Star", said Ralph Waldo Emerson, three quarters of a century ago. It is just as true today. With a worthwhile goal, hard work, training, and determination to succeed, there is hardly anything that you can not attain. Don't wait for that opportunity--go out and make it. Remember there are no short cuts to success. Elbert Hubbard:

"The actual fact is that in this day opportunity not only knocks at your door, but is playing an anvil chorus on every man's door, and then lays for the owner around the corner with a club. The world is in sore need of men who can do things."

Pat worked at a factory where they encourage the staff to think of ideas for smoother running of the business. One morning he was shown into the president's office and announced he had thought of a way of assuring that no one would be late in the future."That sounds good but how on earth do you think you can do it? said the boss. Pat said, "That's easy, the last man in blows the whistle."

*

Have you heard about the Scotchman who was standing in the middle of Times Square with a piece of burnt toast in his hand waiting for the jam to go by? A taxi came up and gave him a jar. Heaven preserve us.

*

"Now, children," said the primary teacher, "I want you to remain still. So still you can hear a pin drop." For a moment silence reigned, then suddenly, a boy in the back of the room sang out: "Okay, let her drop!"

"MENTALLY AWAKE"

LET'S MEET

AL CULLEN

Al is 20 years old and has been at camp for seven years. He does not have three children (as the rumor goes) but his Ideal wife must be a brunette. He became Troop Leader of Troop 1 and was dubbed into the Buckskins his third year. He became Camp Adjutant the next year and kept the position for another summer. After that, as many scouts remember, he took the tiring job of Camp Two Director and is now spending his last year at Wauwepex as Director of Camp One (and doing a "bully" job.)

Al is getting out of Brooklyn Polytech next year as an Aeronautical Engineer. He wants to join the Navy for the duration, in this field. Why Navy? Well, he ought to be prejudiced. He's been in Sea Scouts for the last three years and holds the top rank of Quartermaster.

When asked, "What do you think of camp?", he remarked, "Wauwepex is the most beautiful camp on the island. It's the most convenient place in summer for any Scout in Nassau. But I'd like to see the camp's facilities enlarged so that all Scouts in the county could go to camp without any trouble."

WE NOTICE

Don Cronan ordering an alarm clock...Irving Heller getting lost in Riverhead...Bill Sinram receiving letters with S.W.K. on the back...Carl Armstrong visiting Wauwepex.

The Craft Lodge making a mistake...Ed Sealey pacing the floor waiting for a letter...Mr. Robert Cohen coming late for Rowing M.B...Robert Hayes awaiting a box of candy from home.... Scouts with blisters after the Wildwood hike.

SIX BEATS FIVE

At Wildwood last Tuesday the boys from Troop six challenged Troop 5 to a soft ball game. It moved very fast and when Troop 5 was retired in the top of the ninth the score was Troop 6, four and Troop 5, two. The battery for Troop 5 was Blyth and Hirschner. Holding down these points for Troop 6 were Behrendt, pitching, and Furnell, Pfeiffer and Lellbach sharing the catching duties. Blyth took his first defeat and Behrendt his first victory. There were very few hard-hit balls and each side had less than eight safeties. Behrendt gave up three walks and five were yielded by Blyth.

CAMP MUSICIANS, SINGERS WANTED

This year the Music Department is trying to get all the musicians in camp to be in the Camp Orchestra or Dance Band.

Singers will also have an opportunity at Wauwepex. They will have the chance to sing in the Sunday Church Choir.

For all the boys and officers that are in camp for seven weeks there will be an opportunity for them to try out for the "barber shop octet".

The Drum and Bugle Corps that plays every night at Retreat needs Scouts who have had past experience in this line.

TROOP 2 NEWS

Troop 2 is under the leadership of William Rescorl, assisted by Paul Gibson and James Marigo. The troop has practically completed their own council ring, and is also repairing the fences around the troop. On Wednesday the troop had a one-point tent inspection. Led by the singing trio (Bill, Paul and Jim) Troop 2 sang its way to and from Wildwood.

BADGES, RANKS GIVEN AT COUNCIL

Sixty-five merit badges and six rank advancements were presented at the first council fire of the 1942 season in the camp council ring.

The council was opened in the traditional style by the Buckskin men with "Oh ye Scouts of Wauwepex, come to the council!" The prayer to the four winds was given and the fire was lit with bow and drill.

Chief Covey explained the meaning of soul stones and then asked all new campers and all others who had never witnessed a Wauwepex council fire to come into the ring and place their soul stones around the fire.

The badges were awarded by the various Wauwepex officials. Two Scouts, Fred Geib and William Bryant, received the rank of Life Scout.

A skit was presented by Unit One after which the council fire was closed by the singing of "Round the Council Fire's Gleaming Light" and "Taps".
