

## Nassau Scouts Have New Camp Dining Hall

Mineola—The new \$50,000 Hayden Dining Hall at Camp Wauwepex, Wading River was dedicated by the Nassau County Council of Boy Scouts on Saturday.

Funds for the construction of the building were granted by the Hayden Foundation in order to allow the camp to keep pace with the continual growth of scouting. The 700-acre camp will now serve 750 campers daily.

Participating in the dedication program were Cortland A. Johnson, president of the Boy Scout Council; as well as John J. Burns, chairman of the public relations committee, F. Howard Covey, former county scout executive and for 24 years director of the camp. The presentation was made by J. Willard Hayden.
