ROMANCE BLOSSOMS AS ZORRO AIDS
ESCAPED PRISONER IN TV SERIES

A tyrannical military commandante resorts to a proposal of marriage to capture an escaped prisoner, only to be outwitted by a masked avenger in this week's episode, "Zorro's Romance," to be aired over station _____ on _____ at _____ o'clock.

The officer, Capitan Monastario (BRITT LOMOND), proposes marriage to Elena Torres (EUGENIA PAUL) who realizes that if she agrees to such a union, the commandante would likely reduce his treason charges against her father Nacho Torres (JAN ARVAN).

The foppish Don Diego (GUY WILLIAMS) pretends to assist Monastario and his Sergeant, Garcia (HENRY CALVIN), in their efforts to ferret out the escaped prisoner Torres. At a crucial moment, a sly maneuver by Don Diego, who reverts to his night-riding Zorro role, rescues both father and daughter from the tyrant.

In the process of outwitting his adversary, Don Diego himself becomes somewhat smitten with the lovely Elena.

"Zorro's Romance" was directed by Lewis R. Foster from a teleplay by John Meredyth Lucas. The "Zorro" series stars Guy Williams as both Don Diego and Zorro.
