FENCING INSTRUCTOR SUFFERS
SWORD CUT ON "ZORRO" TV SHOW

Swordsman Al Cavens, portraying the villain in the "Zorro" TV segment, "Monastario Sets A Trap," suffered a two-inch gash on his cheek when his sword hit the deck, handle first, and bounced back at him.

Ironically, Cavens acts as fencing instructor and technical advisor on the series, and prides himself on his safety record. He admits that freak accidents like this one are bound to happen once in a while, but "usually not to the instructor."

"Monastario Sets A Trap" will be televised on _____ at _____ p.m. over station _____. Guy Williams stars in the dual role of Zorro and Don Diego.
