FENCING MASTER CITES TV
ZORRO AS FASTEST STUDY

Veteran fencing master Fred Cavens calls Guy Williams, who plays Zorro on Walt Disney's TV "Zorro" series, "the fastest study he has ever worked with." Coming from this old pro, this is really a compliment.

Cavens' experience dates back to the original motion picture "Zorro" with Douglas Fairbanks, Sr. in 1922, all of the Errol Flynn swashbucklers, Cyrano de Bergerac with Jose Ferrer, and Tyrone Power as "Zorro."

Fred recommends Guy Williams' duel with guest star Britt Lomond in the "Zorro" segment, "Zorro, The Luckiest Swordsman," as one of the best duels on film. It will be televised over station _____ on _____ at _____ p.m.
